**CONDITIONS**

1. The bird must have been bred in captivity. A bird shall not be treated as bred in captivity unless its parents were lawfully in captivity when the egg from which it hatched was laid. Documentary evidence of captive breeding must accompany any bird competitively shown under this licence.
2. Any bird competitively shown under this licence **except those listed at Appendix 1** must be ringed with a legible, individually numbered, metal close ring, which is a ring or band in a continuous circle (without any break, join or any signs of tampering since it was manufactured) and which cannot be removed from the bird when its leg is fully grown. For any bird shown under this licence which is listed in Schedule 4 to the Act, the close ring must comply with the Wildlife and Countryside (Registration, Ringing and Marking of Certain Captive Birds) (Wales) Regulations 2011 (**SI 1653 (W. 188)**)
3. The owner of any bird to be competitively shown under this licence will, if requested by a Police Officer or a person authorised in writing by Natural Resources Wales, make the bird available for a sample of blood to be taken from the bird to be shown. The blood sample will be taken by a qualified veterinary surgeon. Such a sample may be used to establish the ancestry of the bird.
4. All relevant animal welfare legislation must be complied with at all times, including the Animal Welfare Act 2006.
5. No person convicted of an offence to which this paragraph applies may use this licence unless, in respect of that offence, either (1) they were dismissed with an admonition, or (2) they are a rehabilitated person for the purposes of the Rehabilitation of Offenders Act 1974 and their conviction is treated as spent. A person may also use this licence where, in respect of such an offence, a court has made an order discharging them absolutely. This paragraph applies to offences under the Wildlife and Countryside Act 1981, the Deer Act 1991, the Wild Mammals (Protection) Act 1996, the Hunting Act 2004, the Conservation of Habitats and Species Regulations 2010, the Protection of Badgers Act 1992 and the Animal Welfare Act 2006 (all as amended).
6. Failure to act within the purpose of this licence as set out in paragraph 1 or failure to comply with the terms and conditions of the licence may mean that the licence cannot be relied upon and an offence could therefore be committed. The maximum penalty available for an offence under the Act is a level 5 fine (£5,000) and/or a six month custodial sentence.

**Keeping of birds in Show Cages for Training Purposes**

7. No bird shall be kept or confined in such a cage for longer than one hour in any period of 24 hours.
